## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: the best prior art of record (see the cited references) fails to teach or suggest an apparatus to compensate for voltage and temperature variations on an integrated circuit and a method of using the same, wherein the apparatus includes, among other features, a register capable to concatenate a digital voltage output of a voltage sensor and a temperature output of a temperature sensor into an address output; and a memory device having an address input coupled to the address output of the register, and the memory device adapted to store one or more corrective vectors. Therefore, the claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
